

BRANDED INGREDIENTS

- 

Lady
Probiotic complex for women's health, targets urogenital pathogens, shows vaginal colonization from oral intake. 100-200 mg/day.
- 

Metsyn
For metabolic syndrome. Tested in a clinical trial evaluating metabolic and inflammatory parameters compared to placebo. 300-600 mg/day.
- 

ProstaBiome
For men's urinary tract health, counters E. coli infections in bladder and prostate cells, modulates inflammatory markers. 150-300 mg/day.
- 

ProBeautyShield
Probiotic complex for skin health, targets atopic dermatitis and acne. Clinically tested in two trials involving 80 adults. 150-300 mg/day.
- 

SmilingGut
Targets gastrointestinal health, reduces IBS-C symptoms like abdominal pain, constipation, and bloating. 300-600 mg/day.
- 

SportMax
Targets exercise recovery, reduces inflammation, provides gastrointestinal relief, composed of specific probiotic strains. 200-400 mg/day.
- 

SynBioOFF®
A complementary approach to live probiotics, using heat-killed or inactivated bacteria to support commensal bacteria proliferation and promote beneficial interactions with the host.
- 

GHA Q-Actin
A 100% natural cucumber extract, clinically proven to improve joint health and comfort with just 20 mg per day. Ideal for developing innovative food, beverage, and supplement products.
- 

IGOB131
A patented extract from Irvingia gabonensis, proven to support metabolic balance, healthy weight, and hormone regulation. 300 mg/day.

VIVATIS PRODUCTS

- 

Greenluronic® (Organic)
Greenluronic® is a patented botanical hyaluronic acid from Tremella fuciformis, providing superior hydration and joint support. Unlike traditional sodium hyaluronate, it is vegan, sustainable, and sets a new standard in skincare and joint care. It improves skin hydration, boosts elasticity, and reduces inflammation. 200 mg/day.
- 

GreenDroitin®
GreenDroitin® is a vegan chondroitin sulfate from Tremella fuciformis, offering superior bioavailability and effective joint support with a smaller dosage. It helps maintain joint health, reduces inflammation, and promotes cartilage integrity. 200 mg/day.
- 

VivaBiome
VivaBiome is a prebiotic fiber blend with Konjac glucomannan, designed to support weight management, glucose control, and cholesterol lowering by promoting a balanced microbiome with gentle fermentation.
