

Direct Flexibility Stick

nuvicol® II

THE SCIENCE BEHIND THE CONCEPT

Why **Greenluronic**[®]

The only botanical hyaluronic acid.

Effective at **100 mg daily dose.**

Increases hyaluronic acid concentration on joints.

Enhances chondrocyte proliferation and strongly counteracts inflammation and ROS production.

Why **nuvicol**[®] II

Preserved undenatured structure.

Low-dose efficacy (only 40 milligrams per day).

Unique oral tolerance mechanism.

Designed to **protect, repair and maintain healthy connective tissue.**

Clinically proven results: improvement in joint comfort and mobility within 90 days.

THE ADVANTAGES OF COMBINING BOTH

Ideal for **next-generation mobility and beauty-from-within** concepts.

Enables **low-dose, high-performance** collagen sticks.

Clear differentiation vs. standard collagen and HA combinations.

Supports cartilage-related cellular activity.

*The Greenluronic® product and its process are protected by a worldwide patent application.
