

Cocoa & Prebiotic Fibre

Your daily metabolic ritual

With

VivaBiomeTM

by VIVATIS Pharma

THE SCIENCE BEHIND THE CONCEPT

Prebiotic fibre at the core:
A plant-based prebiotic blend based on konjac glucomannan (KGM) and acacia fibre.

Microbiome-mediated **metabolic benefits**.

Backed by EFSA-approved **health claims***.

By promoting **gradual fermentation** along the intestinal tract, it helps maintain a balanced and diverse microbiome, without the common side effects of bloating or gas.

***Backed by EFSA-approved Health Claims** (Regulation (EC) No 1924/2006):

- High in fibre
- Supporting weight reduction
- Cholesterol lowering (4 per day)
- Glucose management (if formulated with chromium)

WHY CHOOSE VIVABIOME™

Patented technology to instantly dissolve in beverages

Easy to mix into any drink (juices, smoothies, etc...)

Clean-label and functional

Versatile applications: alone, integrated into powder or combined with other extracts

Flexible product positioning: varied health and wellness concepts
