

# Collagen Boost

by

Half the dose, double the effect!

# THE SCIENCE BEHIND THE CONCEPT

## Why Greenluronic<sup>®</sup>

**The only botanical hyaluronic acid.**

Effective at **100 milligrams daily dose.**

**Enhanced matrix activity:** Better results in endogenous collagen and elastin production.

**Targets CD44 receptors,** promoting cellular hydration and skin vitality.

**Superior bioavailability** for efficient nutrient delivery.

## Greenluronic<sup>®</sup> as Collagen Booster

**Boosts the biological activity of bovine, marine and biomimetic collagens.**

Improves collagen absorption across the intestinal barrier by up to 80%.

**Enhances elastin production (+70%) and endogenous collagen synthesis (+50%).**

**Increases cell vitality** while reducing oxidative stress.

Enables **“Half the dose. Double the effect.”** formulation performance.
