THE SCIENCE BEHIND THE CONCEPT

Experience **advanced skincare** with Greenluronic® Hydrogel, formulated with *Tremella fuciformis* for **exceptional hydration and skin benefits**:

Long-lasting hydration: A powerful humectant that locks in moisture, leaving your skin soft, refreshed and hydrated.

Gentle on sensitive skin: Biocompatible and soothing, perfect for sensitive skin with an immediate cooling effect.

Clinical efficacy: Proven to increase hydration by +125% in 30 minutes and maintain it with a +49% improvement after 24 hours.

Non-greasy: Delivers hydration without a heavy residue, ideal for quick absorption.

Why Greenluronic®

The only botanical hyaluronic acid.

Effective at **100 milligrams daily dose.**

Enhanced matrix activity: Better results in endogenous collagen and elastin production.

Targets CD44 receptors, promoting cellular hydration and skin vitality.

Superior bioavailability for efficient nutrient delivery.
