

# Matcha & Prebiotic Fibre

Your daily metabolic ritual

With **VivaBiome**<sup>TM</sup>  
by VIVATIS Pharma

# THE SCIENCE BEHIND THE CONCEPT

**Prebiotic fibre** at the core:  
A plant-based prebiotic blend based on konjac glucomannan (KGM) and acacia fibre.

Microbiome-mediated **metabolic benefits**.

Backed by EFSA-approved **health claims\***.

By promoting **gradual fermentation** along the intestinal tract, it helps maintain a balanced and diverse microbiome, without the common side effects of bloating or gas.

**\*Backed by EFSA-approved Health Claims** (Regulation (EC) No 1924/2006):

- High in fibre
- Supporting weight reduction
- Cholesterol lowering (4 per day)
- Glucose management (if formulated with chromium)

# WHY CHOOSE VIVABIOME™

**Patented technology** to instantly dissolve in beverages

**Easy to mix** into any drink (juices, smoothies, etc...)

**Clean-label** and functional

**Versatile applications:** alone, integrated into powder or combined with other extracts

**Flexible product positioning:** varied health and wellness concepts

The background features a dark, textured surface with a bamboo whisk (chasen) on the left, two wooden bowls containing green matcha powder and matcha latte, and a bamboo scoop (chawan) at the bottom right. The Vivatis Pharma logo, consisting of an orange stylized 'V' and the text 'VIVATIS PHARMA', is positioned in the upper left.
